

Clarification Orders in PCC

This guide explains how to create a clarification order in PointClickCare (PCC). Use this process whenever an evaluation or treatment order needs correction or clarification.

Step 1

Find the existing evaluation and treatment orders. Select Actions and click Discontinue.

The screenshot shows the PointClickCare interface for a patient. At the top, there's a patient profile section with a status of 'Discharged' and location 'A-11-A'. Below this, there's a section for 'Allergies: No Known Allergies' and 'Code Status: (Advance Directive)'. The main area displays a list of orders. The 'Actions' menu is open for the first order, 'Gabapentin Oral Capsule 100 MG (Gabapentin)', and the 'Discontinue' option is highlighted. The order list includes columns for Order, Directions, Category, and Status. Below the order list, there's a table with columns: Ordered, Start, Created, Created By, Revision, Revision By, Last Ordered, and Status. The table shows a single row for 'OT Eval and Treat' with a status of 'Ac'.

Order	Directions	Category	Status
Gabapentin Oral Capsule 100 MG (Gabapentin)	Give 1 capsule by mouth at bedtime for Neuropathy	Pharmacy	Ac
Carbidopa-Levodopa Oral Tablet 25-100 MG (Carbidopa-Levodopa)	Give 2 tablet by mouth in the evening for parkinsons f...	Pharmacy	Ac
Multivitamin-Minerals Oral Tablet (Multiple Vitamins w/ Minerals)	Give 1 tablet by mouth one time a day for Supplement	Pharmacy	Ac
PT Eval and Treat	No directions specified for order.	Other	Ac

Ordered	Start	Created	Created By	Revision	Revision By	Last Ordered	Status
2/3/2026		2/3/2026	Mongtuyen Lam, LVN	2/3/2026	Mongtuyen Lam		Ac

Step 2

Enter the required information and select Discontinue Order.

The screenshot shows the 'Discontinue Order' form. It includes a section for 'Order Summary' with the text 'PT Eval and Treat' and 'No directions specified for order.' Below this, there's a 'Discontinue Date' field set to '3/5/2026'. The 'Communication Method' section has radio buttons for 'Phone', 'Verbal', and 'Prescribed', with 'Phone' selected. The 'Ordered By' field is filled with 'Narala, Madhava'. The 'Reason for Discontinue' field contains the text 'dc'. At the bottom, there are two buttons: 'Discontinue Order' and 'Cancel'.

Step 3

Type 'Clarification' in the order field. Three templates will appear. Select the template for your discipline (PT, OT, or SLP).
