☐ Plan of Care (POC) — how to enter and update	

4. Timesheet & Invoice Process — Travelers & Registry Only

Process overview: Traveler enters time in NetHealth daily and submits a timesheet to the DOR each week. DOR reviews, approves, and signs the timesheet — keep a copy for your records. Traveler submits their copy to their agency — this is their responsibility. Travel company sends each invoice to the DOR with cc to the business office. DOR verifies billed hours match the signed timesheet. If they match — reply on the same email that hours are correct and to proceed with payment. If they don't match — correct first, then forward to business office.

☐ Guaranteed hours per week per contract explained — DOR confirmed the number
☐ NetHealth time entry process reviewed — time entered daily
☐ Weekly timesheet submission process explained — traveler submits to DOR each week
☐ DOR approval and signature process explained — DOR signs, keeps copy
☐ Invoice process explained — travel company invoices DOR, cc business office
☐ DOR verification responsibility explained — billed hours must match signed timesheet

5. Clinical Orientation

☐	Active caseload reviewed — patient introductions completed	☐	Frequency expectations explained — individualized, clinically justified
☐	Payer status confirmed for all assigned patients (Part A, Part B, managed care)	☐	Group and concurrent therapy requirements explained
☐	Weight-bearing status, precautions, and isolation protocols reviewed	☐	Adaptive equipment locations identified — walkers, wheelchairs, gait belts
☐	Physician orders verified for all assigned patients
